Description

- 7x12
- Single 3500# Torsion axle
- 15" Aluminum Wheels
- Spare Tire and Mount
- Aluminum Floor
- Stake Pockets
- Removable Square Bi-Fold Rear Gate Ramp

OVERVIEW

Built on a similar platform as our aluminum tilt model, the Legend Utility Gate trailer appeals to more traditional trailer users that are accustomed to the utility performance of a rear ramp gate. The Legend Utility Gate is an ideal solution for ATV's, UTV's, golf carts, lawnmowers, and general cargo. Standard stake pockets and 2-hole tie downs offer convenient load securing options, and the 48" bi-fold gate saves on wind drag during towing. If you're looking to upgrade from that old rusty steel trailer, the Legend Utility Gate is the perfect place to start!
